Specifications are subject to change without notice

- ◆ **Designed for use with BNC-100 Navigation Console**
- ◆ **Easy to use navigation for small boats**
- ◆ **Lightweight and durable**
- ◆ **Waterproof**

The **PB-01 Plotting Board** is designed to assist in navigating small boats and inflatables that use the BNC-100. Manufactured out of high impact plastic, the PB-01 is made for use in a wet and rugged environment.

By placing a paper nautical chart into the PB-01, and adjusting the markings with the dial/knob, plotting and staying on course has never been easier.
